WAR FROM THE GROUND UP—

The many facets of modern war are shown in this picture taken on Luneburg Heath, near Soltau (Germany) during field exercises held by the 4 Canadian Infantry Brigade Group. At the bottom centre of the photograph are Ferret armoured scout cars of the Reconnaissance Squadron, The Fort Garry Horse — the "eyes and ears" of the brigade during battle. Overhead is a Centurion tank of The Fort Garry Horse, armoured regiment with the brigade group and hovering is a helicopter of the Reconnaissance Squadron, The Fort Garry Horse. (PR Photo)

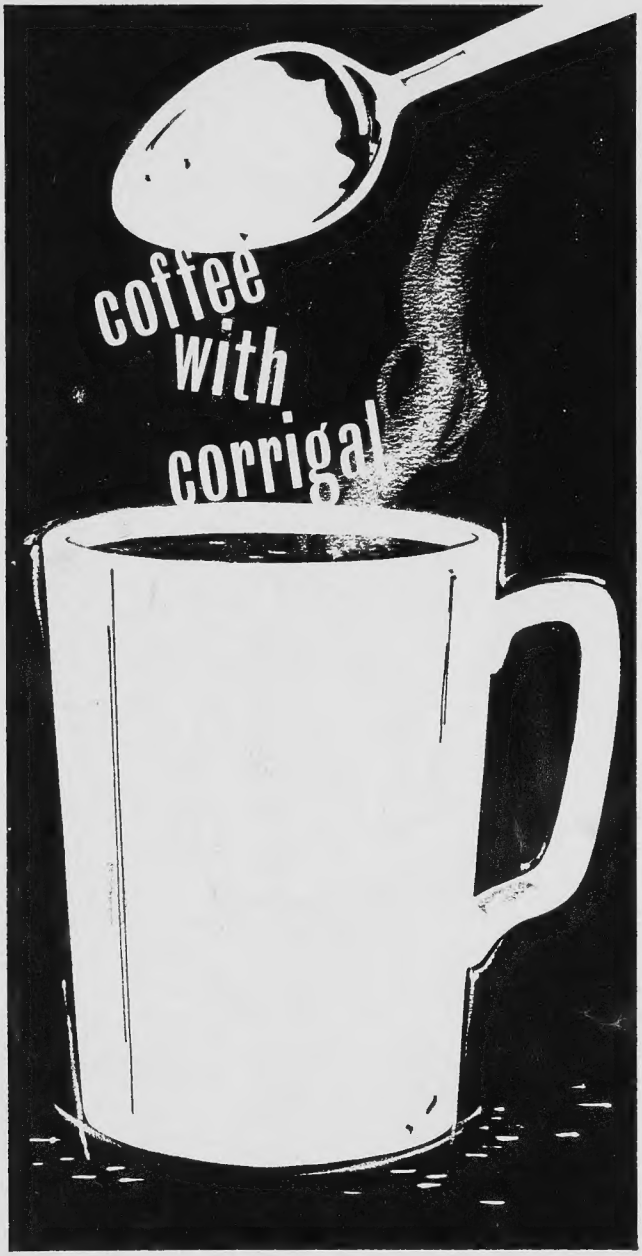
WINNERS OF THE PACIFIC NORTHWEST TOURNAMENT—PORTLAND 1956

This was the last major international tournament won by our city. This year with the introduction of indoor polo and an active committee, Calgary is once again competitively seeking the Pacific Northwest championship.

Polo has a long and interesting history in Calgary and Southern Alberta. The first polo played in North America was in Southern Alberta in the early 1890's and until the First World War teams from the areas of Calgary, High River, Millarville, Priddis and Pincher Creek were active and in fact a team from High River journeyed as far as Long Island, New York where they won the North American Championship.

Again in the 1920's and 1930's the Calgary Polo Club was active competing with teams from Lord Strathcona's Horse, High River, Cochrane, Virginia Ranch, Spokane, Winnipeg and Vancouver.

Following the Second World War Polo in Canada was at a standstill but by 1948 the Calgary Club was once more operating but for a period of over ten years was the only club in Canada. A new field near De Winton was obtained in 1960 and games are scheduled through the Spring and Summer months where visitors are always welcome.



If you have to get up in the mornings - might as well make it pleasant as possible. Dial 1140.

Ned's on hand from 6 to 9 a.m. If you want the news, time and temperature checks - you'll get them.

But you also get Ned's particular brand of humor plus loads of good listenable music that will help to make getting-up a little easier.

Try it tomorrow morning.

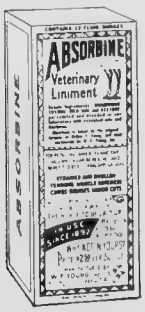
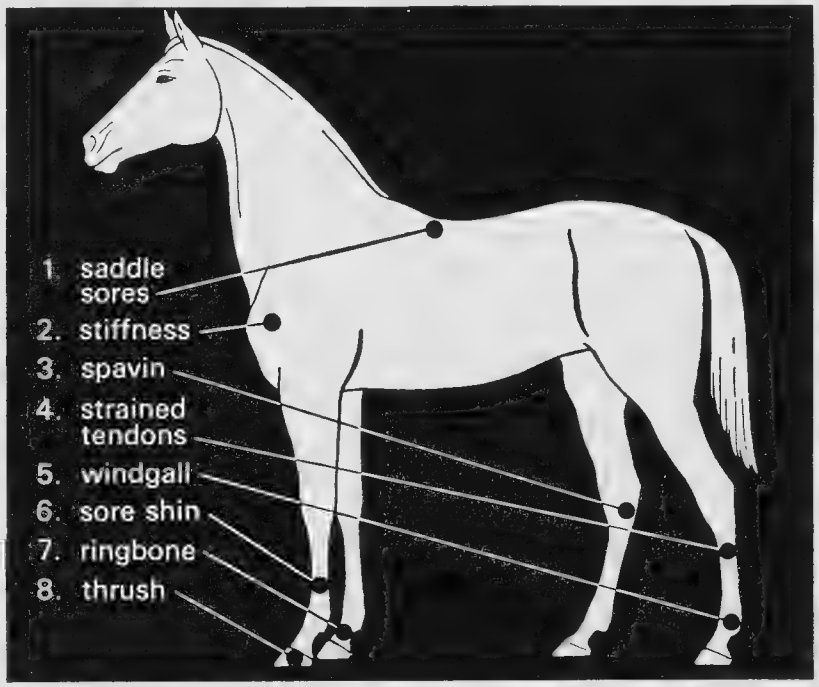
Trouble spots?

Treat them with ABSORBINE at the first sign!

For over 70 years, Absorbine has proved effective in the relief of bog spavin, windgall, ringbone, sores and bruises. At the slightest sign, use Absorbine promptly!



Full strength: Apply right on strained tendons or any troubled areas. It draws out soreness. Never any loss of hair or blistering. And it's antiseptic, too. No other liniment has Absorbine's combination of fungicidal properties.



Body Wash: Leading trainers advise a daily Absorbine wash as excellent protection against lameness. Regular use helps horses cool out and stay supple.

Buy Absorbine in the long-lasting, 12-ounce bottle or in the economical horseman's gallon size. Available wherever veterinary supplies are sold.

Our Alberta Heritage

JOHNNY LONGDEN

About forty years ago, a 17-year-old farm lad left his home in Taber, Alberta, with a dollar in his pocket. He promised that one day he'd return. And when he did, the town declared a holiday! For by then, Alberta's Johnny Longden had literally raced his way to fame.

Clad in gleaming red and white silks, and mounted on a golden Palomino, Johnny was the central figure of his hometown's Alberta Golden Jubilee parade. He has won over 6,000 races, been three times a world champion, ridden winners to the tune of seventeen-million dollars. Light in weight, small in stature, but mighty big in the world of achievement.

We salute Johnny Longden, the many-time winner of such international classics as the Kentucky Derby — and another proud example of the leadership and fortitude we breed in OUR ALBERTA.

CALGARY POWER LTD.
